Description	I'm a second-year Computer Science student at the Częstochowa University of Technology, actively developing my skills in game and software development. I combine analytical thinking with creativity, and my athletic background - including a Polish Championship title in basketball and numerous individual awards - has taught me teamwork, determination, and consistency in achieving goals. I'm a fast learner, adapt well to new environments, and approach challenges with enthusiasm.				
Experience	Iso Racer Programmer <div>https://store.steampowered.com/Iso_Racer</div>		September 2021 - January 2024 Warsawa
